It's that time of year again and Bozell is looking for your best and brightest students to fill summer internship positions at our agency.

Positions Available:

Account Service- Do everything from analyzing business situations for client recommendations to formulating campaign strategies. It helps if you have a basic understanding of agency structure, and make sure you bring your excellent communication, organizational and writing skills.

Art Director/Designer- Work closely with other creatives to develop and present and produce concepts or designs. InDesign, Photoshop and Illustrator skills are a must. And if you're not full of passion for the industry, you might want to consider finding a job at the mall for the summer.

Copywriter- Concept and produce campaigns for your portfolio alongside other creatives, while undoubtedly drinking copious amounts of coffee you should be a strong conceptual thinker, a persuasive writer and a student of advertising.

Interactive- program database-drive web applications while working with designers and the interactive team. Fundamental understanding of web design and application architecture, knowledge of XHTML & CSS, ability to write web apps without WYSIWYG.
*Application Instructions:

Essays- submit your answers along with your application. One page per question, please. -Tell us about any prior practicum, internship of professional experience in advertising -Explain why you're applying for your particular position and convince us you're the best candidate for the job. -How will a Bozell internship benefit you? -What will you do this summer if you don't receive an internship?

Also include a portfolio.
