MARKETING INTERN

420 Linden Street
Fort Collins, CO 80524
(970) 449-8000 – Office

Encompass Technologies is a Fort Collins, CO based company that provides Route Accounting Software to the beverage distribution industry (think Red Bull and Beer and you have the right idea). We provide a web based, mobile device-deployed solution that improves our clients’ accounting, inventory, delivery, warehousing, route planning, and productivity. If you think about it, we enable the delivery of beer and other beverages across the nation.

We are looking for a Marketing Major in their Junior or Senior year who could participate in the development of a campaign and coordinate the production of in-house activities such as email campaigns, Facebook, LinkedIn, and Twitter ads, cold call scripts, and development of flyers for email campaigns.

Compensation for this paid internship is $15/hour. Hours are flexible but interns are required to be available, on-site at the office, for at least 15 hours/week up to a maximum of 30 hours/week.

**We Hire Interns Who:**

- Are organized, resourceful, independent and strong communicators;
- Learn quickly and thrive in an environment of multi-tasking;
- Demonstrate a “can-do” attitude, and are highly motivated;
- Possess strong critical thinking, problem solving, and interaction skills;
- Have excellent written and verbal communication skills;
- Are able to take initiative and work independently; and who
- Have a strong knowledge of Microsoft Windows operating systems, Internet Explorer, and the Internet.

**This Won’t Be the Right Environment For Those Who:**

- Need detailed training and hand-holding;
- Want to be left alone and uninvolved;
- Lack confidence and self-awareness;
- Don’t want to work hard;
- Are cocky

**Work Environment**

We have the coolest office building in Fort Collins, right on the banks of the Poudre, just a short walk from Old Town. If you enjoy working hard, having fun, proving yourself, and being a hero to your team, you will enjoy this environment.
